WHO ARE WE?

Welcome to the relaxing world of Sixty8, a registered trademark of the Swiss firm Green Brothers GmbH. Our family-owned business has specialized in the production of legal cannabis flowers rich in CBD as well as in the research and development of hemp-derived products.

WHY SIXTY8?

It's simply a nod to the May 1968 revolutions that led to the hippie movement. Our brand is peace & love, authentic, simple, but also revolutionary. Because «we are the cannabis revolution!»

ORANGE BUD CBG INDOOR

Orange bud is one of the most popular flowers when it comes to flowers rich in CBG. Its high concentration of CBG makes it one of the most appropriate strains for those seeking a product that helps with muscle relaxation.

This sweet and fruity CBG flower offers a balance between muscle relaxation and mental stimulation. Its citrus and pine scent combined with its bright color are the main reasons this strain is called «Orange Bud».

TUTTI FRUITY TRIM

Our trim is made of tiny buds rich in trichomes containing a preponderance of cannabinoids found in our CBD strains. Trim is also very concentrated in pollen. Consider our trim as a mixture of tasty mini- buds that can be used for herbal teas and rolling joints, among other things.

With trim you are not only getting the same quality of taste and terpene-profile, but you also get an exclusive low price for almost the same product. Almost all regular flowers are grinded and become trim eventually...

DOUBLE 0 INDOOR

Double Zero CBD Hash is produced in Switzerland from our very best pollen. The name comes from the size of the net used to filter out all impurities, so tiny it is almost double zero microns, which only allows the most refined pollen through. This hash has a strong smell of cannabis, pine, and spices.

Sixty8's Double Zero erodes easily without having to heat it up and burns just like regular hash.
